## SUMMARY

I'm a happy family guy, who loves games, science and technology in general. Mostly, I try to learn everything I can. In my opinion, getting your hands dirty is the best way to learn a new skill.

I'm a hard worker, committed and self learner. Definitely, I'm not a guru jedi rockstar ninja, but I always get my stuff done.

## EDUCATION

**ICT college of vocational studies** 2014 - 2017  
Bachelor appl, Internet technologies

**Electrotechnical school 'Zemun'** 2010 - 2014  
Highschool Diploma, Electrician automation

## SKILLS

### Fundamentals of Web

HTML, CSS, JQuery, AJAX, JSON, XML, etc.

### PHP

Most of my projects are written in PHP.

### JavaScript

I love the ease of writing javascript and a huge number of different libraries.

### CSharp

Most enjoyable OOP language!

### Databases

MySQL, MS SQL, MongoDB.
